

BACK TO SCHOOL REMINDERS

September, 2021

Here are some important reminders:

- Remember to review the Daily Health Declaration each morning before you leave home, and **STAY HOME** if you are sick.
- If your child will be absent, please call our Early Warning number, before 8:45 a.m. if possible: 604-668-7866.
- Please have your child here by 8:40 a.m., when the bell rings - and students **MUST be picked up at 2:45 p.m.** Make sure they know your meeting place.
- Send your child with snack, lunch and water bottle, and **remember to pack utensils! We have no spoons or forks at the office this year.** Lunch drop-off is not yet permitted.
- Students will be spending all break times, and other parts of the day, outside (RAIN OR SHINE) – be sure they are dressed for the weather (hats/sunscreen, or jackets/boots). It's a good idea (especially for younger students) to have a change of clothing to leave at school.

And some other school information:

- A package of paperwork will be sent home soon, with forms that need to be signed and returned.
- We email our Week Ahead each Friday (and post it on our website), and will also soon include a photo collage. In order for your child's photo to appear in the collage, the following needs to be done: in Section 1 (Use of Student Information) on the yellow Personal Information Consent Form that will be sent home as part of the student package, you need to check "yes".
- Payment information for school supplies will also be included in the package. We encourage families to use Cash Online to pay for supplies, field trips, etc. New students will receive a brochure as part of their package, with their student number attached (needed for registration). There is no need to re-register if you have used Cash Online in the past.
- We have attached an updated school calendar – to reflect the new Truth & Reconciliation day on September 30.

As always, please contact the office with any questions.
