- **Transitional Learners** who wish to return to in-school learning on **November 16** should email: steves@sd38.bc.ca by Monday, November 9 at the latest,
- **Kindergarten Registration** for children born in 2016 begins in November. Check for details at <http://www.sd38.bc.ca/kindergarten>
- Each student at school will receive a Poppy in time for Remembrance Day – instead of collecting money at school, there will be an option to make a poppy donation online (available next week).
