SCHOOL NEWS

- Please be reminded that there is no smoking allowed on school property. And we hope adults will model "no smoking" in public areas around the school, too. Thank you!

- 'Tis the season ... for students to get wet and muddy! Please send an extra set of clothes to school for younger students – and even for older students a dry pair of socks in their backpacks is helpful! Mrs. Lowenstein's supply of extra pants and socks is running short – if you have some clothing your child has outgrown, please consider donating it to the office! Thank you!
- 'Tis also the season ... for illness. Please do not send your child to school if they are sick – they will recover much faster at home, and we would rather not have their germs spread around the classroom! Thank you.
