-

SCHOOL NEWS

- If your child will be absent from school for any reason, please leave a message on the Early Warning Line: 604-668-7866.
- On Monday, we will begin working with the Kely Foundation to implement the Kind Minds program. The program supports mental health education and stigma reduction, providing classroom activities, take-home kits, interactive parent workshops, and school-wide celebrations – all designed to ignite conversations about mental health at home. While we are not (as can be noted in the parent video) recording and rewarding students who have completed the home challenges, we do hope that you will take the time to do the activities together to reinforce understanding, and support dialogue at home about these important topics.
- A reminder that the Universal Hot Lunch program is now ready for entries thru the MunchaLunch platform. Please refer to the email sent on February 3rd. Please use this link <https://munchalunch.com/docs/sd38/FE>
- Please visit our Website School Calendar to be updated on our future events.
