SCHOOL NEWS

- We are collecting Food Bank donations until December 15. Send in your non-perishable items and/or cash donations to the office.
 - We are also holding our annual Coin Drive – through Cash Online. Money raised will purchase grocery gift cards for families in our school who could use a helping hand. Thank you for donating!
 - A reminder that Kindergarten registration is ongoing – register before January 21 to have the best chance for a space in your catchment school. Also, you may register for district options (Montessori or French Immersion) at the same time – the deadline is January 21.
 - The school district is looking for Homestay families for International students – see flyer attached.
 - Did you notice? The construction trailer and fence are now gone! Thank you, Unitech, for making our school safe and beautiful!
