Once that's done, click the **Next >**.button that appears at the bottom of the page

# Step 3: Order Lunch

Next you can add lunch orders for each of your children. If the "Select Child" page is not already showing, click on the **Order Lunch!** Button.

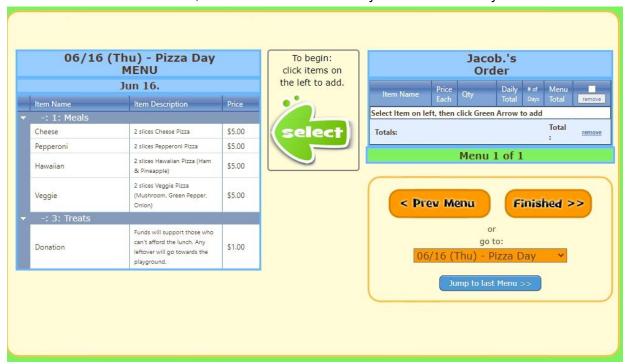

If you have multiple children, you will be asked to choose which child you are ordering for.

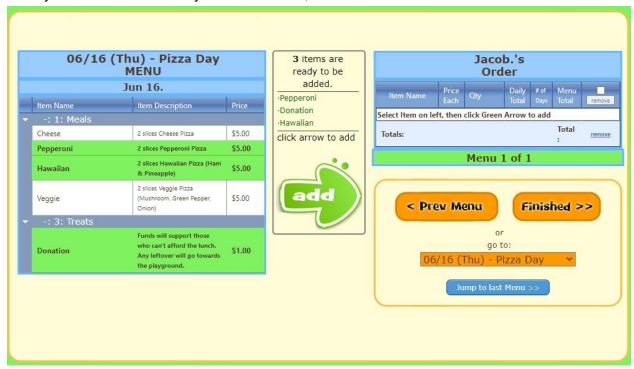

Once you have chosen a child, or if you only have one, you will be taken to the lunch day selection screen. Go ahead and click the **Next >** button at the bottom.

On the order selection screen, click the menu items that you wish to add to your order.

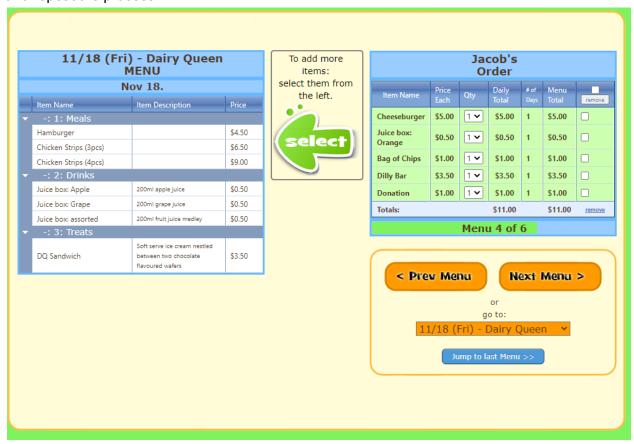

Once you have chosen what you wish to order, click the Add button.

The items will be added to your order and quantities can be adjusted. For example, if you want to donate \$3 instead of \$1, or if you want to order 2 boxes of Pepperoni.

After you have completed a lunch order, click the **Next Menu >>** button to choose the next day and repeat the process.

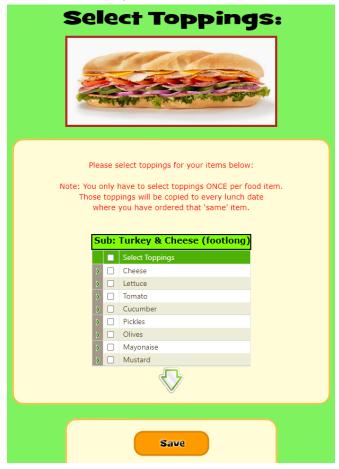

Once you have completed all lunch orders, click the **Finished >>** button.

You will be taken to a confirmation menu where you can make sure that you ordered something for the lunches that you expected. If it seems correct, click the **Next >** button.

The order for Subway allows you to select toppings for your sub at this point. Choose the toppings that you want on each sub that you ordered and click the **Save** button.

Next you will see a review screen with a full listing of what you have ordered and the total cost.

Once you have verified that all looks correct, scroll to the bottom of the screen and click the **Submit My Order >** button.

If you have more than one child, you will then want to press the < Create Another Order button and repeat the process.

# Step 4: Payment

Once you have submitted the lunch orders for all of your children, You may pay with a credit card by clicking the **PayNow** > button. You may also pay with a cheque. Please include your child's name (or order number) in the memo field of your cheque and drop it off at the office. You may submit a single payment for all of your orders.

You may also click the My Account button to view or modify your orders and make payments.

#### Adding another Parent
