- An important reminder that if your child is feeling unwell before school, **please do NOT give them medicine and send them to school.** If they need medicine, they are sick and should stay at home.
  - We have several students with severe peanut allergies – if you plan to send Halloween treats to school, please be sure they are **PEANUT-FREE!**
  - Halloween costume guidelines are attached.
  - You are invited to a virtual “Scams and Fraud” presentation on November 2. See the attachment, or register here: <https://is.gd/OUYAzi>
  - We have started **Breakfast Club!** Every Friday, students are welcome to come to school between 8:00 and 8:30 for breakfast and fun!
  - See attached poster about **Continuing Education** within our district.
  - Next week we will be collecting **leftover Halloween candy**, to be distributed to the downtown East Side.
