<https://munchalunch.com/schools/manoahsteves/>

Use this link: [C'est Mon Cafe](#) for lunches on April 14 & 28 only. The deadline for these two lunches is the day before the lunch date.

## Our School Story in Action

Each week, we will try to share a part of [our School Story](#) and how it applies to our community's daily learning. Our School Story is based on the Core Competencies found in the BC Curriculum.

This week, we would like to feature Games Club. Games Club meets weekly in the Library Learning Commons where students from grade 4-7 get together to play games, build relationships and have fun. It is a safe and inclusive space to interact with peers outside of classroom groupings.

This links to our [School Story](#) focus in the following way:

**Understanding relationships and cultural contexts** - "Students understand that their relationships and cultural contexts help to shape who they are. This includes culture in its broadest sense, including how one identifies in terms of ethnicity, nationality, language(s), abilities, sexual orientation, gender identity, age, geographic region, and religious or spiritual beliefs. Students explore who they are in terms of their relationship to others and their relationship to the world (people and place) around them."
