Our School Story in Action

Each week, we will try to share a part of [our School Story](#) and how it applies to our community's daily learning. Our School Story is based on the Core Competencies found in the BC Curriculum.

This week we would like to highlight Welcome to Kindergarten. Welcome to Kindergarten is an annual event, inviting new families to the Steves community. Incoming students are invited to meet staff and explore some learning opportunities and materials. This is an opportunity to share our school story and school values that we have been sharing with you each week.
