School Story in Action 2024-2025

November 22, 2024

This week we would like to introduce the Be You Club (Rainbow Club and Diversity Club). The Be You Club is a safe elementary school community space that students can join together. Rainbow Club is a GSA (Gay, Straight Alliance or Gender and Sexuality Awareness), a safe and supportive space for all including: 2SLGBTQIA+ students, allies, those who have questions and are curious. We have actively worked on expanding this club to embrace the diversity of all identities in our community such as those of different races, cultures, religions, and abilities. This is intended to be a space for students and staff within our school to be themselves and learn from others. Activities include reading books, watching informative videos, arts and crafts, conversing with others, and hands-on play.

This links to our [School Story](#) focus in the following way:

- Steves is a safe learning community where we strive to respond to change. (Steves School Lens).
