Our goal is to provide a safe, fun, and active environment for students to work together to develop basketball skills and learn to be good sports while playing together with their peers. This term, practices will take place on Fridays from 2:45pm to 3:45pm, and will be open to students in **Grades 2 and 3**. Please register by sending an email to [hho@sd38.bc.ca](mailto:hho@sd38.bc.ca) with your child's first and last name, and division number, with the subject heading "basketball".

## School Story in Action 2024-2025

January 31

This week students had the opportunity to participate in a school-wide drumming event with The Uzume Taiko Drumming Ensemble.

The focus was on the following:

“Students experience the respect and cooperation of group taiko drumming and develop listening and communication skills through the group process.”

The Uzume Taiko Drumming Ensemble.

Student Voice and Reflections

“It was good today because I have a drum too!”

“I liked hitting the drum because it makes noise. The noise is good because it sounded like the drums were singing a song.”

“I liked the drums because it sounds beautiful. I liked the hitting part because it sounds like the seagulls saying a song. They were talking.”

Steves is a safe learning community where we strive to:

- create a sense of belonging
- see ourselves
