SCHOOL NEWS

- Our extra-curricular basketball program run by our community /parent volunteer, Jason Birring, will be continuing this term. Our goal is to provide a safe, fun, and active environment for students to work together to develop basketball skills and learn to be good sports while playing together with their peers. This term, practices will take place on Wednesdays from 2:45 to 3:45, and will be open to students in grades 2 & 3. Please return permission slips to Ms. Ho by Tuesday, April 15th.
- Save the dates: our year end Band Concert will take place on Friday, June 20th at 10:30am for divisions 1, 2, 3 and 4. Our year end Music / Dance Performance will take place on Tuesday, June 24th at 10:30am for divisions 5, 6, 7, 8, 9, 10, 11 and 12.
- This year our Spring Fling will be replaced with a Spring Dance! On Thurs, May 15, from 6pm to 8pm we will be rocking in the gym! [Get your tickets now!](#)

School Story in Action 2024-2025

Apr 9, 2025

This term, the grade 6 and 7 students of division 2 have been ***working together*** with their younger buddies in division 12 to ***build connection to the land and their community***. The grade 6 and 7s along with their kindergarten buddies have been participating in weekly collaborative activities including our buddy walks to the estuary, observing nature and wildlife, playing together outdoors, reading together including in the dark with flashlights, and participating in schoolwide events to learn about the estuary and coyotes.

The grade 6 and 7s have been developing their leadership abilities to encourage and guide the younger students during our times together. The students of division 2 have grown in their abilities to work together with the younger students and are observed be positive role models for their younger buddies. Finally, the students of division 2 and 12 now have a connection with each other and are often waving at each other whenever they see each other outside or inside the school!

This links to our [School Story](#) focus in the following way:

Steves is a safe learning community where we strive to:

- create a sense of belonging
- see ourselves
- work together
- build connections to the land and our community
- respond to change
 - (Steves School Lens)
