Friday, May 16

- Pro D Day (school not in session)
-

SCHOOL NEWS

- Parents and siblings are welcome to watch our Steves Track Day Event on Thursday. The event will take place outside rain or shine, from approximately 9:00am to 11:50am. Please have your child dressed for the occasion: rain gear and a change of shoes if wet, and sunscreen if sunny.
- With the nicer weather, there have been many requests to access the washrooms after school. Note that we cannot allow anyone into the school after 3:00pm.
- A reminder that helmets are a requirement for both bikes and scooters. Students are not to be riding on school grounds without a helmet.
- Please visit our Website School Calendar to be updated on our future events.

PAC NEWS

The Spring Dance is coming up, and we are opening it to friends and family! Bring your kids friends to rock out to an exciting **DJ**, play **games**, eat **concessions**, and have **fun**! The Dance will be in the school gym on Thursday, May 15 from 6pm to 8pm. [Order tickets now!](#)

RAM FUNDRAISER

RAM is excited to start the hand-pressed pencil fundraiser this year again. These pencils are hand-pressed by 12-year-old Lily in Kelowna. Aside from buying pre-stamped sets, you can also order customer order sets for someone special. Submit your order online (<https://bit.ly/RAMPencils>) **before May 12th, 2025!**

Best Regards,

School Story in Action 2024-2025

May 9, 2025

Students from grades 4 to 7 went on a field trip to the Minoru Track to experience different track and field events in a way that met their personal needs and goals. By using Challenge by Choice, students were able to decide how to participate in each event. While some students were trying things for the first time, others were competing against their peers from other schools. It was a fun way to build community with other schools.

This links to our [School Story](#) focus in the following way:

Steves is a safe learning community where we strive to:

- create a sense of belonging
 - see ourselves
 - work together
 - build connections to the land and our community
 - respond to change
-
