School Story in Action 2024-2025

June 13, 2025

Thank you reading our weekly School Story in Action. Our purpose is to share with our whole community the work we have been doing using our school lens as a focus. This anecdotal evidence allows the community to see changes and to continue to work on our goals.

This links to our [School Story](#) focus in the following way:

Steves is a safe learning community where we strive to:

- create a sense of belonging
- see ourselves
- work together
- build connections to the land and our community
- respond to change
