You will need to add your child's name and **division** so that the lunch delivery will go to the correct classroom. It is important that the division number and not the grade is entered. Once children are added, they will be saved to your account and you will be able to simply select them the next time.

The screenshot shows a mobile app interface with a black status bar at the top displaying the time 17:33, cellular signal strength, Wi-Fi signal, and a battery level of 88%. Below the status bar is a white header bar with a back arrow on the left, the title "Child Information" in the center, and a close "X" icon on the right. The main content area has a light gray background and contains three input fields, each with a label on the left and a text input area on the right. The first field is labeled "Name" with the placeholder text "Enter contact name". The second field is labeled "School" with the text "Manoah Steves Elementary" and a right-pointing chevron. The third field is labeled "Class" with the text "Select Class" and a right-pointing chevron. A light gray horizontal bar is at the bottom of the form area.

FAQ

1: Ordering Start and End Time

We close orders one week in advance. For example, if October 20 is the hot lunch day, the order cutoff time will be 5:30 PM on October 13.

2: Can I place an order after the deadline?

Once the deadline passes, late orders cannot usually be accommodated. Please order early.

3: How do I get a refund?

You can request a refund by calling the toll-free number **778-402-2900** and speaking with our 24-hour customer service team up to 48 hours before the hot lunch delivery. The refund will be processed using the same payment method you used. For example, if you paid by credit card, the refund will be credited back to your card within 1-3 business days.

When requesting a refund, please provide the customer service representative with your order number. The order number begins with "CA," and you can find it in your order details.

Order Details

| Order Number | CA197109878 | Copy |
| Order Date | 2024-09-05 21:18 | |
| Payment Method | Default | |
| Request Utensils | No request | |

Since each lunch in your order is associated with a specific date, please clearly inform the customer service representative which day's lunch you want a refund for,

such as "Oct 4 / Cheese Mania." This will make sure that the refund is processed according to your instructions.

|  | Nov 15/ (310g) Pasta B... x2 | \$8.5 |
|  | Oct 4/cheese Mania x1 | \$6 |
|  | Nov 1/2 Piece Chicken ... Roast x1 x1 | \$7.99 |

If there are less than 48 hours until the delivery, no refund can be issued. The hot lunch will still be delivered to the school on the scheduled day, and you may either pick it up yourself or allow the PAC to distribute it to a hungry child.

4: I see a "Cancel Order" button. Can I cancel my order?

If the restaurant hasn't accepted your order yet, you can cancel it directly. However, if the restaurant has already accepted it, the cancellation won't go through. Please follow the instructions from question 3 and contact our free customer service hotline to assist you with canceling the order. Orders within 48 hours of delivery cannot be cancelled through customer service.

5: How do I modify my order?

Once payment is completed, the order cannot be modified. Please refer to the instructions in question 3. Contact our free customer service hotline to cancel the entire order and receive a refund. You can then place a new order.

6: Why can't I use the coupon sent by the Fantuan system?

Fantuan coupons are only valid for regular food delivery orders, not hot lunch orders.

7: How do I place a regular Fantuan delivery order?

You can place an order through the Fantuan app or website to enjoy a variety of food options.

8:Why is the delivery date incorrect?

For example, the order I placed shows the hot lunch for September 16th in the title, but the system displays the delivery as September 20th. This is definitely something that needs improvement, as when parents place bulk orders for the month, the system can't automatically show the correct delivery date for each hot lunch. Please refer to the hot lunch title for the actual delivery date; we won't make any mistakes with the delivery. This will be improved soon.

9:Why didn't the system send me a confirmation email or text?

We have currently disabled the email and SMS notification channels. Parents can directly check their orders through the system link. Once we improve the email and SMS system, we will notify you.
