Be You Club

The Be You Club is a safe and supportive space for all, including: 2SLGBTQIA+ students, allies, and those who have questions and are curious (GSA). We have actively worked on expanding this club to embrace the diversity of all identities in our community such as those of different races, cultures, religions, and abilities. This is intended to be a space for students and staff within our school to be themselves and learn from others. Activities include reading books, watching informative videos, arts, crafts, conversing with others, and hands-on play. Here are three examples of videos that we may show:
